

ATHLETIC FIELDS

Scheduling info: 502/456-8171 or [athletics@louisvilleky.gov](mailto:athletics@louisvilleky.gov)

Athletic fields are available to the public throughout the year. Most fields are available to the general public for games and practices, although non-profit groups operate some fields under franchise agreements. To determine the location of these parks, visit [www.metro-parks.org](http://www.metro-parks.org) and click on the “Park Finder.”

LEAGUE/TOURNAMENT PLAY (per field)  
League fees • 10% of gross income  
Lights • \$10 per hour (where available)

Under this arrangement, Metro Parks maintains fields for a non-profit group for a full league season, and the leagues manage their own scheduling and game officials. Metro Parks can also provide these services, as negotiated. Each permit is applicable to one sport at each level (i.e. peewee, freshman, j.v., varsity, junior, senior).

FRANCHISE AGREEMENTS  
Administrative fee (per season) • \$100  
Concession stand use (per season) • \$250  
Lights (per season) • \$150

Under this arrangement, non-profit groups provide basic field maintenance in exchange for primary use of those fields. Leagues manage their own scheduling and game officials.

Community Centers operated in partnership with the Housing Authority of Louisville are not available for private rental through Metro Parks.

Kitchens and ice makers, where available, can be used at no charge (must be booked in advance; first come, first served). Neighborhood groups and block watch organizations may use community center meeting rooms at no charge during normal operating hours. While every effort will be made to accommodate these groups, those paying posted rates will have the right of first selection.
